Sun Coast Roofing & Solar

At Sun Coast Roofing & Solar, we are dedicated to upholding our reputation as a premier roofing installation contractor. Our full-service approach caters meticulously to both Residential & Commercial clients seeking unparalleled craftsmanship in re-roofs, repairs due to storm damage, and assistance with insurance claims. Mastery over various roofing materials - from shingles to high-end tiles, slate, shake roofs, and distinctive custom metals - positions us at the forefront of versatile roofing solutions. Moreover, our solar offerings present an opportunity for customers to embrace renewable energy seamlessly integrated into their roofing projects. As a local family-owned enterprise fortified with over ten years of specialized experience, we are not just licensed but also insured for your peace of mind. At Sun Coast Roofing & Solar, we invite you to take advantage of our complimentary estimates – because everyone deserves access to superior quality roofing that endures for generations - The Last Roof You'll Ever Need!
