

EIS TODAY

OUR VERY OWN STUDENT NEWSPAPER

Hello! Last week, Year 1&2 had an amazing performance for the parents' coffee morning!

First, Mr. Daglish and Ms. Martin gave all of us an introduction about the performance - the theme was emotions. After that, the performance started. Anna from Year 2 was the narrator. The kids did cute little dances and explanations about emotions. There was joy, sadness, anger, fear, and calm. At the end, we even had this nice dance with a lovely song!

This Friday was Book Day, but I'll talk about it when we come back after the holidays because next week is the end of term holiday. Also, results from the auditions have been announced, so don't forget to take a look at that!

THE WISHING TREE AT EIS

The idea of making a wishing tree first came to me when I visited a mountain during camp. When we reached the mountain at the bottom we each given a ribbon and were told to tie it to the tree at the top of the mountain. The view was beautiful and me my mum and my little sister each tied a ribbon to the tree. When I came back to school I thought that our school would be the perfect place for a

wishing tree so that I could give the children hope and convince them to believe that their dreams can come true.
