

## ABOUT US

Josh's Construction is a locally esteemed roofing company Smithfield, Rhode Island, renowned for our expertise in creating durable and aesthetically pleasing roofs that stand the test of time. With specialized knowledge in installing Asphalt shingle roofs, we cater to homeowners looking for both quality and cost-effectiveness. For those seeking an extra touch of elegance, our Luxury & designer shingle roofs offer a range of styles to enhance the curb appeal of any home. Moreover, our proficiency extends to Commercial EPDM rubber roofs, known for their longevity and resilience. Our dedicated team ensures each project is executed with meticulous attention to detail, adhering strictly to safety standards while providing exceptional service tailored to your specific needs. At Josh's Construction, we pride ourselves on being a leader among roofing companies in Smithfield, delivering unparalleled roofing services backed by unwavering dedication and craftsmanship. Whether you're in need of a long-lasting Asphalt shingle roof or looking to elevate your property with Luxury & designer shingle options, our team has the skills and experience necessary to exceed expectations.
