

ABOUT US

Discover the Home Pros Remodeling difference, where we pride ourselves on being a stellar construction company Las Cruces NM. Our expertise lies in turning your home into a beacon of beauty and functionality. With a focus on exterior remodeling, we elevate your living space by offering top-quality replacement windows and doors from renowned brands like Andersen, Provia, and Simonton. Our full-service approach ensures that every detail is handled with utmost precision, including the application of both synthetic and traditional stucco finishes by Sto and LaHambra. As bathroom remodelers, we transform outdated spaces into modern sanctuaries with beautiful walk-in showers, giving you the retreat you deserve. And it doesn't stop there – our kitchen services will upgrade your counters to luxurious marble, quartz, or granite surfaces. Trust in Home Pros Remodeling to not only enhance your home's appeal but also its value and energy efficiency. We're also experts in applying high-quality stucco finishes by Sto and LaHambra for that perfect exterior texture that stands out in the neighborhood. Inside your home awaits even more potential; our bathroom remodeling services can turn an ordinary tub into an exquisite walk-in shower oasis tailored just for you. And let's not forget about the heart of any home – the kitchen – where our countertop upgrades using premium materials such as marble and quartz will leave guests speechless at every gathering.
